

MEIG Programme Scholarship Application Form 2023-2024

Thank you for applying for admission to the Master of Advanced Studies in European and International Governance (MEIG Programme). We are aware that the costs related to our programme, in addition to the living costs in Switzerland, are high, especially in the current economic context. While our programme does not have sufficient funds to offer scholarships, be assured that we make every effort to solicit support from external sources. We have been able to secure a number of scholarships from a local sponsor. These scholarships cover mainly the tuition fees. We may also be able to arrange for partial scholarships towards living expenses during the programme.

Our sponsor has established strict eligibility criteria:

- Demonstrated financial need on the part of candidates as well as their immediate and extended families, employers and any other persons who might otherwise have been able to contribute toward financing their studies;
- Failure to secure loans or scholarships from all other available sources, including employers, banks, governments and private providers.

Scholarship application instructions

1. Please complete this scholarship application form, and send it by email, or by postal mail.
2. Please submit the following supporting documents, translated into English if necessary (English translations for this purposes do not need to be officially certified):
 - Copies of official statements of income of all individuals who contribute to your household finances, including you;
 - Official statement from a bank or other savings institution, and/or tax forms, indicating available funds and assets;
 - Copies of responses to your other scholarship and/or loan requests, including from employers if applicable.
3. Please complete a 500 words (maximum) description of the main motives for your scholarship request, in English.
4. All documents can be sent by email to meig@unige.ch, or by postal mail.

Applicants will be recruited until the limited places in the MEIG programme are distributed and considering the date of arrival of the MEIG candidate application form.

The application can only be processed if all questions have been fully answered.

The 2023-2024 MEIG Programme starts in September 2023 and ends beginning of July 2024.

While the admission process to the programme is “need-blind”, meaning that we do not consider any financial factors when making admission decisions, we do ask you to submit your scholarship application at the same time as your application for admission, to ensure timely processing.

The final scholarship decision and admission decisions are made by the MEIG Executive Committee.
